RULES AND REGULATIONS

The Exhibitor hereby applies to the Producer of the custom auto show referred to above to have the vehicle described above displayed therein and agrees that, if the application is accepted, he will display the vehicle at the show under the following terms and conditions:

- 1. Most shows are necessarily overbooked by 10%. In such cases where space is not available for an entry already accepted to the show, the Producer will have sole authority to deny entrance to the building to vehicles arriving after the building capacity has been reached. Exhibitors denied access to the building will be refunded any monies paid to the Producer, upon request.
2. The Producer shall have final authority to determine the locations of an Exhibitor's display within the show and the Exhibitor's compliance with the aforesaid rules, regulations, and policies.
3. Once the Exhibitor's display and/or vehicle are set up in the show, they shall not be removed or concealed by the Exhibitor prior to the end of the show without the permission of the Producer.
4. Neither the Producer, show chairman, sponsor, nor any other officer, director or shareholder thereof, or the owner of the building at which the show is produced, shall be responsible or liable for any personal injury to the Exhibitor or any person affiliated with the Exhibitor, including but not limited to any person or minor under the direction and/or control of the Exhibitor, and the Exhibitor, on behalf of itself and any such person and/or minor, as the case may be, hereby waives any such claim for personal injury. Additionally, the Exhibitor agrees to indemnify and hold harmless Producer against any claim for personal injury by itself or any person and/or minor under the direction and/or control of the Exhibitor. The Exhibitor hereby assumes all risk and shall be solely responsible, hereby waiving any claim against any third party including but not limited Producer for any loss or damage to all or any part of the Exhibitor's personal property, which shall specifically include, but on limited to, the Exhibitor's vehicle, trailer, display, material and/or parts. The Exhibitor hereby expressly waives any and all rights the Exhibitor may have against any of them for such loss or damage. Exhibitor agrees to obtain insurance covering the above and assumes full responsibility for any loss or damage. Exhibitor agrees that this signed entry blank supersedes any and all prior and/or contemporaneous agreements and understandings whether written or oral between Exhibitor and the Producer, the Producer's employees, show staff,

representatives and sub-contractors. Nothing herein shall be modified unless consented to by Producer in writing. Both parties agree all disagreements will be decided by arbitration in the state where the show is produced.

5. No promotion and/or advertising is allowed with the entries unless they are appearing in conjunction with paid commercial space. A single sign may be used to identify major modifications, who did them, and what equipment was used, but large ad signs, handbills, or business card distribution is strictly prohibited.
6. This application shall be accompanied by ¾ front and ¾ rear view photographs of the aforesaid vehicle in display, if available. If said photographs are not submitted with this application, acceptance by the producer shall be conditioned upon producer's final approval of the vehicle at the time and place of move-in for the show.
